Important License Information

While the Autodesk Educational Version software incorporates all the functionality of our professional licenses, it may not be used for commercial or for-profit purposes, as more fully described in the License and Services Agreement. Term-based licenses of Autodesk Educational software are not eligible for product upgrade or migration to a commercial license. The licensed software obtained on this site may not be installed or used on institutional computers located in classrooms and laboratories (except for an institutional computer assigned to a faculty member by an educational institution for the faculty member's sole use), and may only be installed and used on the personal computer of the eligible Autodesk Education Community member.
