

Do you want 1 item number or 1 line in your BOM?

For example:

| ITEM | PART NUMBER | DESC |
|------|-------------|------------------------|
| 1 | ABC | Power Supply |
| | DEF | Power Supply Base |
| | GHI | Power Supply Terminals |

Or:

| ITEM | PART NUMBER | DESC |
|------|---------------|------------------|
| 1 | ABC, DEF, GHI | Power Supply Kit |
