The screenshot shows the 'Terminal Strip Editor' window with the title bar 'Terminal Strip Editor : =SWBD+500-TB511'. The 'Terminal Strip' tab is active, displaying a table with columns: Installation, Location, Device, Wire, Pin, Device, Location, Installation. The table contains data for SWBD, 500, CB04, CB83, CB05, and CB06.

An 'Insert Accessory' dialog box is open, showing fields for Number, Manufacturer (PHOENIX CONTACT), Catalog (0800886), Assembly, and Quantity (1). It includes buttons for '<', '>', 'Increment', 'Catalog Lookup', 'Insert Above', 'Insert Below', 'Cancel', and 'Help'.

A 'Spare Insert Warning' dialog box is displayed, showing a warning icon and the message: 'The starting number must be specified'. It has an 'OK' button.

At the bottom of the main window, there is a 'Properties' section with icons for different terminal strip types and a row of buttons for 'OK', 'Cancel', and 'Help'.
