

A contour plot showing several curved, roughly vertical lines. The lines are labeled with numerical values. The labels are arranged in a grid-like pattern across the plot. The values range from -5.10 to -7.81. The lines are more densely packed on the left side and more spread out on the right side. The labels are: -5.10, -9.14, -8.11, -7.23, -7.31, -6.47, -9.29, -8.12, -7.51, -7.41, -7.04, -9.57, -8.10, -7.76, -7.66, -3.99, -8.65, -8.46, -8.22, -7.81.
