

Error signature
AppName: setup.exe AppVer: 5.0.78.0 ModName: kernel32.dll
ModVer: 5.1.2600.3541 Offset: 00012a6b

Reporting details
This error report includes information regarding the condition of Autodesk component when the problem occurred, the operating system version and computer hardware in use, your Digital Product ID, which could be used to identify your license, and the Internet Protocol (IP) address of your computer.

We do not intentionally collect your files, name, address, email address or any other form of personally identifiable information. However, the error report could contain customer-specific information such as data from open files. While this information could potentially be used to determine your identity, if present, it will not be used.

The data that we collect will only be used to fix the problem. If more information is available, we will tell you when you report the problem. This error report will be sent using a secure connection to a database with limited access and will not be used for marketing purposes.
