All of the Judges will review all entries and award an aggregate score to each entry based on the scale of 1-10 for each Criteria. The 2 entries with the highest aggregate scores after adding the scores of all Judges shall be deemed the winners with the entry with the highest score winning the top prize, the entry with the second highest score winning the next prize level down and so on until all prizes have been awarded, as set forth in Section A.8 below.

In the event of a tie, the Presiding Judge’s score shall determine the winner(s). If a tie remains at that point, the entry that received the highest score in the Criteria of parts found shall determine the winner(s).
