

The diagram shows a grid of small black squares representing a PCB layout. Two horizontal signal lines are highlighted in green. These lines originate from a grey arrow-shaped box on the left. The top line is labeled 'I2C_SDA/2.??' and the bottom line is labeled 'I2C_SCL/2.??'. The labels are centered within the arrow-shaped box.

• I2C_SDA/2.??

• I2C_SCL/2.??
