

Register Inventor:

- 1) Press [Windows] key to open Windows' start page
- 2) Type "cmd" to find "Command Prompt" > right mouse click on it > select "Run as administrator"
- 3) On "Administrator: Command Prompt" window, type `cd "c:\program files\autodesk\Inventor 2014\bin"` > Enter

- 4) Type `inventor /install` > Enter
- 5) Wait for 1 min (inventor will be executed background then exit silently)
